How to set up your
handheld scanner

Version 2.0

Unboxing your hand scanner

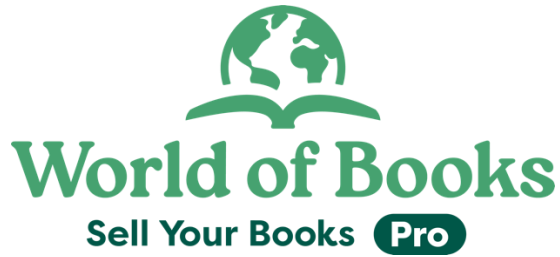

When you receive your World of Books – Sell Your Books Pro hand scanner, the box will include:

- The hand scanner
- USB to Type B connector cable

Setting up

1. Insert the Type B end of the cable into the bottom of the hand scanner.
2. Make sure you hear it click when you insert the cable.
3. Plug the USB end into your laptop or computer.
4. The hand scanner will be ready to use straight away.

Happy Scanning
